## **Lesson Policies:**

**Cancellations:** There will be a 24-hour cancellation policy, whereby any cancellations falling within 24 hours of the lesson time will constitute a lesson and compensation for that time will be billed directly to the student. If there are two cancellations in a row, even if they are cancelled before the 24-hour period, the student will be billed for the second lessons as the teacher is holding a slot in their professional schedule for this lesson time and needs to be compensated for that time.

## **Lesson Packages:**

A commitment of 6 lessons **PER SEMESTER** is required at the start of the semester. Payment for all 6 lessons is **NOT** required up front as we know that financially, that may be difficult. However, if by the end of the semester, the student has not fulfilled the 6-lesson minimum, the student will be invoiced at the end of that semester. Our faculty is committed to providing the finest musical education possible, with continuity and regular practice being a main component of the process.

Fall Semester: Sept- Dec.

Winter Semester: Jan - May.

## **Lesson Age Requirements:**

Piano lessons: Minimum age is 6, with a basic reading comprehension.

Voice lessons: Minimum age is 13.
