Liturgical Music has a different starting point than any other type of music. It is the song of Salvation, the Song of the Supper of the Lamb. The workshop will focus on how an authentic understanding of the Christian Mystery is the starting point for understanding the Church's norms for liturgical music. The workshop will also look at how liturgical music sings this mystery all throughout the Mass and thus become song that unites heaven and earth, becomes itself a form of worship and demands a participation that is at the time internal and external. Liturgical music is the rehearsal for the place we will one day have in the chorus of the angels and saints in glory.
